Forwards an expression of his views on the subject of relieving Munsiffs from the charge of the Lockups.

Sub Collr.

The proposal to relieve all Munsiffs (except the S/L Munsiff & Munsiff at Kolar Gold Fields) of the charge of Lock-Ups, and to ~~have~~ transfer the same to Medical officers of the Grade of Sub Asst or Asst Surgeon, wherever ~~they~~ such are available, and to Amildars in other places may be approved — This may be done by the Dewan also.

I submit to Govt. Rule 35 of the Lock up Rules (Govt No 761 dated 6-3-96) requires sanction as in the present case.

14/3/98

I am glad that a change is proposed in Munsiffs as the most undesirable agency that could be thought of for charge of lock ups. I noticed in my inspection of the lockups at Hassan & at Chickmagalur in Dec last that things were getting decidedly slack. The guards were an untrained & undisciplined set of men. Nothing more could be said. The discipline was very slack. Old

Recruitment has all work we allowed to hang on. (See my remarks on Harrison Cochrane). The idea to take away these cuffs & put in asst surgeons is good. I would not go below an asst surgeon however. An outdoor is a much higher grade than a sub asst surgeon. If possible in important stations. I would not object to reverting to the system of having asst surgeons in charge. The accident of the senior surgeon being ill or absent ought to

To improve the guarding scheme I would rule that the guards should be taken from the Depot Reserve who are undergoing a course of drill & musketry at the Depot School. They should be replaced by a fresh batch every 2 years - to keep up their drill & knowledge of Police duties.

A distinctive uniform may be prescribed & the Officers in charge should see that the men wear it. At Halifax & Chickamauga

To

The Secretary to the
Government of Mysore,
General and Revenue Departments.

Sir,

Adverting to rule 35 of the Lock up Rules sanctioned by Proceedings of Government no. X 12585-96 / 9-739-92 dated the 11th December 1892, I have the honor to state that certain Munsiffs have represented the inconvenience of their being placed in charge of Lock ups. The Judges consider that it will be well to relieve the Munsiffs of this work, as it will not only enable them to devote all their time to judicial work, but there will also be some small relief to their overworked establishments. I am, therefore, directed to request that Government may be pleased to modify the rule in question, so as to allow Munsiffs of being relieved of the charge.

*S.No. 26

2. I am to add that now that the Senior Surgeon is the Inspector General of Prisons the Lock ups may

be conveniently placed in charge of the medical Officers of Stations.

The Secretary to the Government of Mysore

General and Revenue Department

Sir,

I have the honor to acknowledge the receipt of your No $\frac{7508}{1066}$ of 16th February 1878 giving cover to letter from the Registrar of the Chief Court of Mysore stating that the Judges are of opinion that Drundiffe should be relieved of the charge of Lockups, and suggesting that, as the Senior Surgeon is also the Inspector General of Prisons, that the Lockups be placed in charge of Medical Subordinates, and calling upon me for an expression of my views on the subject. Whilst admitting that the present System of Lockups being in charge of Drundiffe, is not altogether Satisfactory,

S.R. 53

Satisfactory, I am of opinion, that it would only be possible to replace them by Medical Subordinates, at such places where there is either an Assistant Surgeon, Sub Assistant Surgeon, or Honorary Sub Assistant Surgeon; it would not be wise to entrust Hospital Assistants, drawing as they do from 25 to 60 Rupees a month Salary, with so responsible a charge.

The Majority of Lockups being Situated within the Taluk Cutcherries, the presence of Subordinates of this class having authority, so to speak within the precinct of the Cutcherys would hardly be tolerated by the Revenue authorities. There are at present 15 Lockups in charge of Drumliffs, and of these number, 9 might be relieved by Subordinates of the Medical Department, and as these places are just the places where Drumliffs have most work, this arrangement would in some measure meet with the Suggestions of the Judges. Where there is no Medical Subordinate of a Sufficiently high Standing, I would Suggest,

that

that the charge of the Lockup be entrusted, to either the Amildar, or Deputy Amildar, as is now done in some places.

The subjoined table shows the distribution of the present Guard, and the arrangements that might be made for relieving them.

I have the honor to be,

Sir,

Your most obedient Servant,

Surgeon Lt Colonel

Inspector General of Prisons
